

CONSTRUCTION AND
ENGINEERING AWARDS 2016

BUILD

Hello Mike

The results have been announced for the 2016 Construction & Engineering Awards and I am honoured to inform you that: **Amber Asbestos Services** has won **Best Asbestos Removal Service 2016 – Europe & Award for Excellence in Asbestos Surveys 2016**

How were you awarded that particular title?

The research, carried out by our team of 8 highly experienced industry professionals, and the decision making process handled by our dedicated in-house judging panel took over **320** man-hours, during which time the teams worked closely to ensure that only the most deserving firms, departments and individuals were recognized.

I would like to congratulate you on your win and look forward to hearing from you shortly.

Kind regards,

Steve Simpson – Awards Executive
